HTC EVO Design 4G Battery Replacement

For this procedure, you will remove and replace the battery for the HTC EVO Design 4G.

Written By: Teena Carnegie

INTRODUCTION

If your battery is no longer holding a charge, it can quickly and easily be replaced following these three steps.

PARTS:

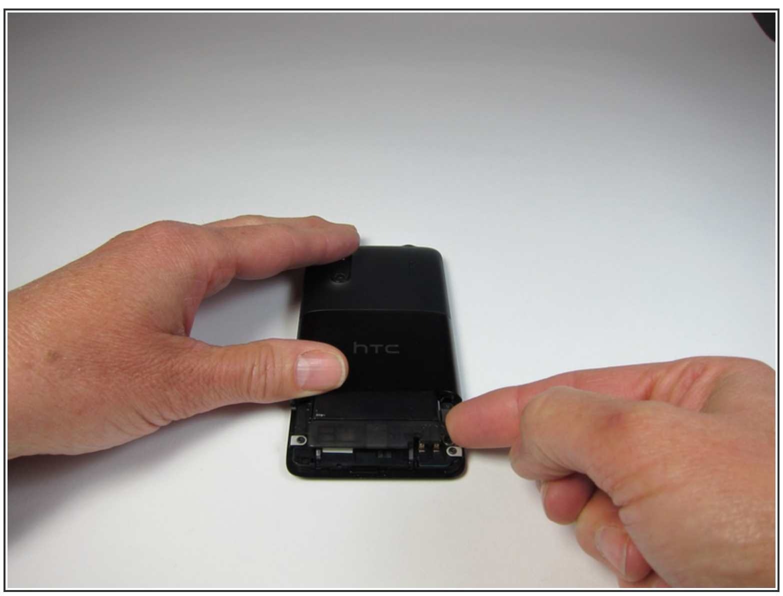

- HTC battery (1)

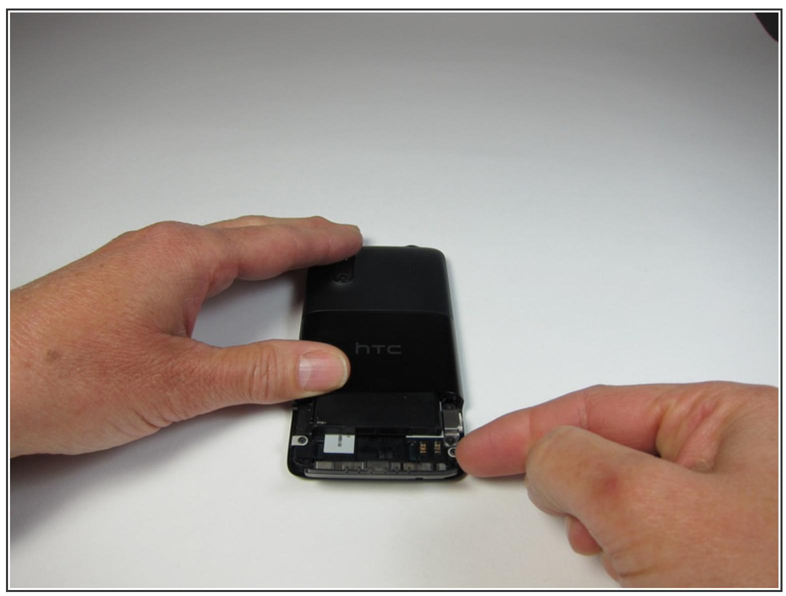

Step 1 — Battery

- With the phone up-side down, apply pressure and slide the lower back panel toward the bottom of phone.

Step 2

- Flip-up the **Open** tab located beneath the battery.

Step 3

- Slide the battery toward the bottom of the phone.

To reassemble your device, follow these instructions in reverse order.
